## ABOUT US

Churchgate is one of the leading and most professional private security firms providing total security solutions to many leading businesses on the East Coast. We provide expertise in all security measures that is tailored to meet your organizational and individual needs.

Churchgate has developed comprehensive training programs to ensure a courteous, friendly and efficient approach to meeting and greeting clients and visitors. Our security personnel are carefully trained and uniformed to reflect the style and culture of each business and the working environment.

Protecting property, premises and the integrity of a business is always our priority and our clients can rest assured that their businesses will be in safe hands day and night. All our guards are NYS licensed and have complete background checks. Moreover, our supervisors have periodic site visits and inspections to ensure we deliver the required services. We also maintain a 24-hour communication line with all our vendors and guards.

It is our utmost desire and pleasure to provide your company with our professional and superior security guard services with *guaranteed* savings over your current security service provider.

**CHURCHGATE IS FULLY LICENSED BY NYS DEPT. OF STATE, INSURED AND BONDED.**

*Churchgate Security is a Certified Security Vendor with NYC School Construction Authority (SCA), NY/NJ Port Authority. We are Construction Site Specialist.*

## OUR SERVICES

We are exceptionally positioned to offer customized security services to meet the specific needs of any organization. Our capabilities include:

- Escort Services
- Churchgate Security provides escort services for your visitors, Service vendors and Senior Executives throughout your facilities

### Reception/Concierge Services

- Some of our reception services include monitoring access of employees, contractors and visitors to facilities, issuing badges, maintaining logs, inspecting bags and packages and giving directions. Our officers are also assigned to lobby areas, controlling access to the building and functioning as like a hotel concierge. All of these services help ensure safety for your employees, visitors and guests.

### Console Operations

- Churchgate console operators monitor CCTV, access control, fire detection and intrusion detection systems. We also monitor visitor arrivals and departures, coordinate with officers on patrol, and respond to routine and emergency situations.

### Our other capabilities include:

- Vehicle/foot patrol and inspection services
- Fire patrol and equipment check (fire safety)
- Executive protection
- Parking lot protection

## TRAINING

Churchgate Security offers a comprehensive, state-of-the-art program to its security personnel who are assigned to protect your employees, visitors and important assets. Each of our officers complete an intensive five step training that includes:

Pre-assignment training Site • specific training • Ongoing training  
Advanced training • Churchgate personal development training.

*Most importantly, all security personnel have complete background investigations and periodic drug tests.*

## Summary of Article 15-A of the Executive Law

Article 15-A of the Executive Law, signed into law on July 19, 1988, authorized the creation of an Office (now Division) of Minority and Women's Business Development to promote employment and business opportunities on state contracts for minorities and women. Under this statute, state agencies are charged with establishing employment and business participation goals for minorities and women.

Article 15-A has nine sections. This summary is intended to familiarize you with major portions of the law. Rules and regulations providing specific instructions and criteria for implementing the program are available by contacting the Division of Minority and Women's Business Development in New York City or Albany.
