## NYPA Builds Powerful Relationships With MWBEs

The **New York Power Authority (NYPA)**, the largest state electric utility in the nation, values working with minority- and women-owned business enterprises (MWBEs).

NYPA's **Supplier Diversity Program** has done more than **\$900 million in business with MWBEs**. We continually look for purchasing opportunities that will build relationships with companies providing new ideas and perspectives in...

- Sustainability
- Energy Efficiency
- Renewable Technologies

To learn about NYPA Supplier Diversity:

A Program of the New York Power Authority

**NOTICE TO ALL BIDDERS:** Bidders are hereby DIRECTED to make use of the New York Power Authority's web site at [www.nypa.gov](http://www.nypa.gov) in order to obtain current and complete bid documents, bid addenda, post-bid addenda and related notices. Bidders obtaining bid documents from sources other than [www.nypa.gov](http://www.nypa.gov) web site do so at their own risk. Incomplete bid responses may be rejected by the Authority.

## Power Authority of New York

### Ultra Low Sulfur Diesel(ULSD) -500 MW Power Plant in Astoria, Queens, New York

**This is a continuous procurement solicitation listing.**

New York power Authority solicitation to furnish and deliver zero to 75,000 Bbls. of Ultra-Low Sulfur distillate oil with a maximum sulfur content of 15 ppm, typically Ultra Low Sulfur Diesel (ULSD) or Ultra Low Sulfur Heating Oil (ULS HO) to the Authority's 500MW Power Plant in Astoria, Queens, New York. Delivery must be made by ship or barge only in the cargo size(s) specified by NYPA. Distillate oil quality must be in strict compliance with NYPA contract specifications (Colonial Pipeline Grade 62/67, Non-Dyed and Non-Biodiesel). Actual oil purchases will be made on a spot basis within the date range(s) specified. Solicitations for qualifications will be accepted on a continuous basis. Seller must include delivery window on their proposals and delivery terms.

Interested firms must have proven financial track record & documented history of experience in dealing with ultra low sulfur distillates such as Ultra Low Sulfur Diesel (ULSD) or Ultra Low Sulfur Heating Oil (ULS HO) and must meet NYPA's contractual requirements. Supplier must have good/clean rights and title to sell such oil and must be able to provide information to show its financial capability to complete the transaction.

## Power Authority of New York

### Q18-6452JT RFQ RMNPP Integrated Unit Controls

The New York Power Authority (hereinafter "The Authority" or "NYPA") is soliciting expressions of interest from all capable automation and control systems and services suppliers desiring to provide Integrated Control System design, procurement, installation, commissioning and support services proposals for The Niagara Power Project (NPP). The Integrated Control System, along with modifications to existing controls would be for the control and monitoring systems for 13 hydro generators at the Robert Moses Niagara Plant (RMNPP), 115, 230 and 345KV switchyards, balance of plant (BOP) electrical and mechanical equipment, upgraded control rooms, and remote monitoring and supervisory control of 12 Lewiston Pump Generating Plant Units.

#### NOTICE TO ALL BIDDERS:

Companies/Contractors are hereby DIRECTED to make use of the New York Power Authority's web site at [www.nypa.gov](http://www.nypa.gov) in order to obtain instructions on participating in this RFQ through Ariba. Companies/Contractors obtaining bid documents from sources other than NYPA Ariba do so at their own risk. Incomplete responses may be rejected by the Authority

## Power Authority of New York

### Communication Backbone - Dark Fiber - Rock Tavern to White Plains

The New York Power Authority (hereinafter "the Authority") invites you to submit a proposal to furnish all plant supervision, labor, materials and equipment (except for services, materials, and/or equipment to be furnished by others as specifically referred to in the Contract Documents), and performing all operations required to provide Engineering, Procurement and Construction services for the deployment of Dark Fiber as described in this RFP. It is the objective of NYPA to enter into an Infeasible Right of Use ("IRU") agreement with the Bidder under this procurement to lease dark fiber from the Rock Tavern Substation through to the NYPA White Plains Office.

Hudson River crossings for the dark fiber shall be located at:

1. Mario M. Cuomo (formerly Tappan Zee) Bridge (I-287)
2. Newburgh-Beacon Bridge (I-84) A Site Visit (Pre-Bid Tour) is scheduled for this project. Information pertaining to the site visit is located in the RFP. Bidders MUST RSVP for the site tour.

3. **Bidders are hereby directed to make use of the New York Power Authority's website at [www.nypa.gov](http://www.nypa.gov) in order to obtain instructions on participating in the bidding process through Ariba. Bidders obtaining bid documents from sources other than NYPA Ariba do so at their own risk. Commensurate experience is required for this project. ### Requesting Sealed Bids

Sealed bids will be received as set forth in instructions to bidders until 10:30 A.M. on Thursday, June 07, 2018 at the NYSDOT, Contract Management Bureau, 50 Wolf Rd, 1st Floor, Suite 1CM, Albany, NY 12232 and will be publicly opened and read. Bids may also be submitted via the internet using [www.bidx.com](http://www.bidx.com). A certified cashier's check payable to the NYSDOT for the sum specified in the proposal or a bid bond, form CONR 391, representing 25% of the bid total, must accompany each bid. NYSDOT reserves the right to reject any or all bids.

Electronic documents and Amendments are posted to [www.dot.ny.gov/doing-business/opportunities/const-notice](http://www.dot.ny.gov/doing-business/opportunities/const-notice). The Contractor is responsible for ensuring that all Amendments are incorporated into its bid. To receive notification of Amendments via e-mail you must submit a request to be placed on the Planholders List at [www.dot.ny.gov/doing-business/opportunities/const-planholder](http://www.dot.ny.gov/doing-business/opportunities/const-planholder). Amendments may have been issued prior to your placement on the Planholders list.

NYS Finance Law restricts communication with NYSDOT on procurements and contact can only be made with designated persons. Contact with non-designated persons or other involved Agencies will be considered a serious matter and may result in disqualification. Contact Robert Kitchen (518)457-2124.

Contracts with 0% Goals are generally single operation contracts, where subcontracting is not expected, and may present direct bidding opportunities for Small Business Firms, including, but not limited to D/W/MBEs. The Contractor must comply with the Regulation relative to non-discrimination in federally-assisted programs of the USDOT 49 CFR 21.

Please call (518)457-2124 if a reasonable accommodation is needed to participate in the letting.

# 2018 New York State Regional MWBE Opportunities EXPO Series

**Division of Minority  
and Women's  
Business Development**

Empire State Development's Division of Minority and Women's Business Development invites you take part in the 2018 New York State Regional MWBE Opportunities Expo series.

The MWBE Regional Expos are designed to connect minority and women-owned businesses to New York State agencies, authorities, and prime contractors. Visit the MWBE Business Builder Boot Camp to connect with local technical assistance providers.

These events are FREE OF CHARGE for all participants.

## FEATURING

- Regional Economic Development Council Awards Panel Session
- Regional Special Projects Panel Session
- NYS MWBE Certification Made Easy
- How to Do Business with New York State
- Access to Capital: State Financial Programs Overview
- One-on-One NYS MWBE Certification Analyst Consultations
- Networking opportunities
- NYS MWBE Business Builder Boot Camp

*All Events begin at 8:00 AM*

To register and for additional information visit:
